Due to the coronavirus pandemic, the Company's Board of Directors has decided to adopt the exceptional meeting procedure provided for in temporary act 677/2020, which temporarily deviates from some of the provisions of the Finnish Limited Liability Companies Act. The Board of Directors has decided to take the measures permitted by the temporary act in order to hold the general meeting in a predictable manner while also taking into account the health and safety of the Company's shareholders, personnel and other stakeholders.

The Company's shareholders can participate in the general meeting and exercise their rights only by voting in advance and by presenting counterproposals and questions in advance. Instructions for shareholders are provided in section C. Instructions for those participating in the Annual General Meeting.

Instructions on following the webcast will be available on the Company's website www.caverion.com/AGM on 17 March 2021 at the latest. Shareholders are asked to take into consideration that following the meeting via webcast is not official participation in the general meeting and that it does not make possible for shareholders to exercise their rights in the general meeting.

The Company's Board of Directors, CEO, other management and the auditor will not be present at the meeting venue during the general meeting. The pre-recorded addresses of the Chairman of the Board of Directors and the President and CEO will be published on the Company's website after the meeting.

The Company's largest shareholders, who represented in aggregate 38.94% of the votes vested in the Company's shares on 8 February 2021, have notified the Company in advance that they support the proposed resolutions on the agenda of the general meeting included in this notice.

Immediately following the general meeting, the Company will organise a follow-on online webcast event for discussion with the Company's management. It is also possible to participate in the event through a conference call. Shareholders will have the opportunity to ask questions from the management on matters relating to the Annual Review 2020. The event will be held only in Finnish. The questions to be asked in the event are not questions referred to in chapter 5, section 25 of the Finnish Limited Liability Companies Act. Questions that are based on the shareholders' right to request information pursuant to the Finnish Limited Liability Companies Act must be asked in advance as described in more detail below. Further information on this separate event, which is not a part of the Annual General Meeting, will be available on the Company's website www.caverion.com/AGM on 17 March 2021 at the latest.
